Recipes and ingredients

Autumn Show – Class 157 MEN ONLY Page 12

Coconut Bites

Ingredients

200g - desiccated coconut
175g – caster sugar
4 – large egg whites
¼ - tsp sea salt
1 – tsp vanilla extract
60g – dark chocolate

Method

- 1 Preheat oven to 180°C - fan 160°C - gas mk 4. Line a large baking tray with baking paper.
- 2 Place all ingredients except the chocolate, in a saucepan and set over a low heat. Stir continuously for about 6 mins until all the sugar has dissolved and the batter starts to stick together. Take off the heat and leave to cool for 5 mins.
- 3 Use a spoon to scoop 12 balls onto the tray. Bake for 10 – 15 mins until the cookies turn golden.
- 4 Melt the chocolate and once the coconut bites are completely cold dip the bottom of each cookie into the chocolate, then place, dipped-side down, back on the tray.

139 Dahlias, mixed, to be judged for quality - five blooms, one vase.
140 Perennial Asters (including Michaelmas Daisies) - three spikes, one or more cultivars, one vase.

Tips on Showing

At the beginning of the show week look around the garden and see what may be “show worthy”. Ensure your entry form is submitted on time (see page 15). Flowers and vegetables can be kept by cutting and storing in a cool place. Flowers can be stored in deep water, vegetables in a container in a cool place but not in a fridge. **IMPORTANT - OASIS IS NO LONGER ALLOWED.**

Do not let the fear of not winning stop you entering. Looking at other exhibits and asking for advice from exhibitors and committee members is a great way to learn. Check the schedule carefully. Judges hate to give NAS (not according to schedule) because you have not displayed the specified number of vegetables, flower stems, or blooms. Check with the Show Steward or a committee member if unsure.

Vegetables. Condition is more important than size: fit to eat and well prepared. Check there are no pests hiding in leaves, stalks, buds etc. Carefully wash (not scrub) root vegetables. Do not over-skin onions and shallots. Where required, shallots and onions should be tied with uncoloured raffia. Gather beans and peas with stalks attached and tomatoes with their calyces intact. To save time on show day potatoes can be kept for days washed, lightly wrapped and stored in a cool dark place. Handle peas carefully to preserve their bloom.

Fruit. Never polish apples, and always show with their stalks on. Show soft fruit (raspberries etc.) with stalks on too. Handle grapes, plums etc. carefully to preserve their bloom.

Flowers. Win when they are fresh. Nearly out is better than going over. Tidy by taking off seed heads and dead leaves, but do not strip petals off. To grow the best flowers, buy the best seed and bulbs you can from reputable suppliers.

Flower arrangements. Check the schedule carefully, especially if there are size restrictions. 100cm. means a 100cm cube. If flowers are arranged the night before they may continue to grow and be disqualified for being outside the size limit. Use fresh, unblemished material.

Cookery.

Jams and Jelly. Warm the sugar before adding to the cooked fruit. Jars must be clean and sterilised. Fill the jars to the very top and put on a wax disc whilst hot. (If air gets in it will go mouldy). Put on a cellophane cover whilst the jam is still hot or use metal lids without commercial writing. The label should be straight and in the middle of the jar.

Marmalade. No pips. Cook the peel till very soft before adding the sugar.

Cakes. Turn out onto a cloth, then onto a rack to avoid marks on the top of the cake. Check the cake is cooked and that fillings are as specified.

Summer and Autumn Show Rules

Special Note:-The committee wishes to draw exhibitors' attention to the necessity for extra care to avoid spillage of water on the floor of the building or on the table cloths. Exhibits must be prepared in the area set aside for this purpose and NOT IN THE MAIN HALL. Bikini vases will be available for use by exhibitors. All entrants will be bound by these Rules of the Society.

IMPORTANT – FLORAL FOAM (OASIS) IS NO LONGER ALLOWED.

- 1 The competition for prizes in all sections is open to both members and non-members, **living within a 10 mile radius of Liphook.**
- 2 The judges shall have the power to withhold a prize if the articles exhibited do not possess sufficient merit. The judges' decision is final. Judging shall be in accordance with Royal Horticultural Show Handbook 2016 edition and the rules of National Societies or Associations where applicable. **If exhibits are displayed on a plate, this must be plain white to avoid disqualification. Display mats and doilies are not allowed.** All exhibits should be correctly named; errors in naming will not disqualify, but the judges will regard correctness and clarity of naming a telling point in favour of an exhibit in a close competition.
- 3 All exhibits must be the property of the exhibitor. Those in Section A must have been in the exhibitor's possession for at least 2 months before the show. No exhibitor may make more than one entry in any class. Unless otherwise stated in the schedule, 2 or more persons may not compete separately in the same class with produce from the same garden and/or allotment except for cuttings bought at the Spring Show for classes 51 and 148.
- 4 Articles for competition will be received and staged from 7.45 until 10.00am on the morning of exhibition and must consist of the precise number where stated in the schedules. Any article not staged by 10am will be EXCLUDED from the competition. No exhibits may be removed before the presentation of trophies has been concluded. Any exhibit not removed at the end of the show will be disposed of.
- 5 All cups and trophies for competition are perpetual challenge trophies and remain the property of the society. Please note - exhibitors are responsible for the cups and trophies whilst in their possession and for their safe return to the Show Secretaries.
Where trophies are awarded to the most successful exhibitor in a number of classes, points will be awarded as follows: 1st- 4 points 2nd- 3 points 3rd- 2 points HC-1 point. If points are equal the trophy will be shared.
- 6 Definition of "Annuals" - flowers raised from seed sown during the twelve months preceding the show.
- 7 Definition of "Beginner" - has not won three first prizes in this class before.
- 8 The decision of the Committee on any matter shall be final.
- 9 No late entries will be accepted. The correct fee will accompany each entry
